*In re Stanley Eugene Ash*

U.S. Bankruptcy Court, District of Oregon Case No. 16-33831-rld7

As of the date of this application, Ball Janik has performed a comprehensive conflicts check with respect to the Debtor, which revealed no conflicts.

Ball Janik has also performed a full conflicts search of the creditor matrix, Schedules and Statement of Financial Affairs, which revealed no connections with creditors, co-debtors or parties to litigation involving the Debtor, except as follows:

Ball Janik represents or previously represented the parties listed below in matters unrelated to this Chapter 7 case.

- State of Oregon Department of Justice ("ODOJ"): The State of Oregon Department of Revenue has filed an unsecured priority claim in the Debtor's case in the amount of \$3437.72. Ball Janik is under contract with ODOJ to represent specific state agencies that have real estate needs. Ball Janik has no open matters for any ODOJ/state agencies as of the date of this application. Ball Janik's prior work for ODOJ is not related to this Chapter 7 case.
- Holland Residential, LLC: Ball Janik represents Holland Residential, LLC. (which may an affiliate of Holland Partner Group Management, Inc. and RECAP/Holland Benchley Estates Investors, L.P.) on land use matters which are unrelated to this bankruptcy case and has previously represented Holland Residential, LLC and certain other affiliate entities in unrelated land use and real estate matters.

Ball Janik's understanding is that Stanley Ash is the principal owner of Thunderbird Mobile Club, LLC ("Thunderbird"). From public pleadings, it appears that Thunderbird and Ash entered into a partnership agreement with Holland Partner Group Management, Inc. formerly known as Holland Partners Capital Management, Inc. ("HP") and RECAP/Holland Benchley Estates Investors, L.P. ("RECAP"). The limited partnership was Benchley Estates Partners, L.P. The limited partnership owned land in Wilsonville, Oregon (the "Property").

In 2011, Ball Janik performed certain land use work to obtain entitlements for the Property. Once the land use work was completed in 2011, Ball Janik had no further involvement with the Property and at no time had any involvement in the structuring or internal affairs of Benchley Estates Partners, L.P. The Ball Janik attorneys who were principally involved in the land use work for the Property in 2011 were Dana Krawczuk, now at Perkins Coie, and Laura Cooper, now at Brix Law.

Prior to the bankruptcy case, HP and RECAP filed an interpleader complaint in Clackamas County Circuit Court, Case No. 16CV2960 (the "Interpleader Action"). In the interpleader, HP and RECAP seek a declaration and judgment authorizing them to distribute \$5,422,692 to Thunderbird and discharging them from additional liability related to the partnership with

Thunderbird and Ash. It appears Thunderbird asserts rights to the \$5,422,692 at issue in the Interpleader and also asserts additional claims against HP and RECAP. Thunderbird and Ash are represented in the Interpleader Action by Corey Tolliver and the Folawn Richardson firm.

The Trustee is planning on employing Corey Tolliver and Folawn Richardson as special counsel for the estate in the Interpleader Action as to claims against HP and RECAP. The Trustee proposes to hire Ball Janik to provide global advice to the Trustee on bankruptcy matters including evaluating any proposed settlements of the Thunderbird/Ash/HP/RECAP disputes in the Interpleader Action and to prosecute matters related to the liens and claims asserted by LJ Properties, Inc. and PatRick Ash, LLC, including following removal of the Interpleader Action.

Ball Janik does not represent HP or RECAP. Ball Janik does not believe that the firm's land use representation concerning the Property in 2011 is the same or substantially related to the current issues between HP, RECAP and Ash. Similarly, Ball Janik does not believe it has any knowledge from its land use work in 2011 that is material to the current disputes between HP, RECAP and Ash.

Ball Janik will search any additional potential conflicts as and when they arise.
